The versatile floor plan includes a 3rd bedroom that can be used as study, den or office, its current use. The new carpet in this and the 2nd bedroom covers hardwood floors that could be refinished to shine like those in the rest of the house. The 3 bedrooms, one with a half bath, all open onto a large interior hall with a big bonus hall closet. The updated full bath has a distinctive original tile floor. The L-shaped large modern kitchen & adjacent screen porch overlook the large back yard. Interior stairs lead to the brightly lighted daylight basement. The sellers are relocating outside the Triangle for a job that they can't refuse.

Walk or bike the tree lined streets to the NC School of Science and Mathematics (A), Oval Park (B), Ellerbee Creek Trail (C), Duke's East Campus (D), the Ninth Street shops & restaurants including the Regulator Book Store (E), Whole Foods Grocery (F), & the Hillandale Golf Course (public)(G).
