### Features

*- An enchanted cottage -*

*Sensitively remodeled with new windows and much more.*

Almost hidden in plain sight on 0.37 scenic acres near the Oakwood Dog Park and Conn Elementary School, this updated cottage is an urban retreat minutes from downtown restaurants, shops, museums.

Relax outdoors on two adjoining porches (one is screened) and the back deck (with a wooden-walled outdoor shower). The naturally landscaped yard includes plenty of parking, a carport, several intimate gathering spaces and grassy play areas. The 14x10 ft wired shed could be used as a workshop or studio. The sixty year old azaleas, camellias, roses and a Oakwood fig suggest an interesting history of the house which will soon be told as an oral history.

Enjoy the bright, open floor plan with a sun room, an arched passageway and hardwood floors. The sun room (aka studio or possible guest room) opens to the screened porch in front and leads to the back deck past the laundry area and the new 2nd full bath. Total area is 1,303 sqft which includes "Living Area" of 1,091 sqft and an additional finished 212 sqft sun room, laundry area and 2nd bath all finished and/or added in 2004 but apparently not permitted.
