

Just a steps away from the Kitchen and Sun Porch, the bright, spacious Laundry Room also can serve as a Pantry and Utility Room.

The 1st floor Master Bedroom is big, bright and sassy with a vintage tile bath room and 2 closets.

A built-in dressing table is an original part of the charming and functional walk-in closet in the Master Bedroom.

Bright and cheery, the updated Master Bath includes vintage tile and update fixtures.

Your Downton Abby English cousins would appreciate the convenience of the private half baths found in each of the other two 1st floor bedrooms.

This is the second downstairs bedroom with a private half bath.

Walk-in closets with built-in shelves are found in each of the downstairs bedrooms.

One of three upstairs bedrooms, the biggest has a non-functional exterior door that once led to exterior stairs that were later removed.

Knee walls and ceiling angles add interest to the all-purpose room upstairs with a large closet and eave-storage. Shown as a 6th Bedroom, it could be a part of an upstairs in-law suite or efficiency apt with a possible exterior entrance.
