

Address: 616 N Boundary

Custom built in 1994 within the Oakwood Historic District, this 3 BR 2.5 bath homes combines the best of the old and the new.

A real front porch. Cedar siding. A concrete driveway. New gas heat, air and gas H2O. A fenced yard. A great walking neighborhood.

The large living room includes a fireplace, arches and hardwood floors throughout the 1st floor the best of the old.

The dining room opens onto the back deck and yard. A half bath is located conveniently near the side door that leads to the driveway.

Granite counter tops and new stainless appliances the best of the new. The antique blue gas oven/range will be replaced prior to closing.

The open floor plan leads to the 1st floor MBR. The new master bath has a tiled floor and separate tub and shower.

Bright, you bet. This is the upstairs bath that has a skylight.

The two upstairs bedrooms are bright with lots of storage. Both the eaves and attic are floored. A floor plan is available.

The fenced yard includes a grape arbor and a variety of fruit trees.

The south facing back yard has plenty of space for both lawn and garden.
