"Home for antique and contemporary furnishings...."

The entrance foyer sets the tone for the bright, open flow floor plan that is at once breathtaking and practical.

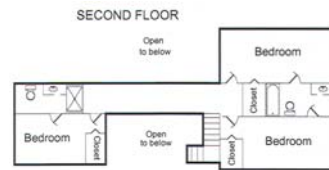

Warm and cozy yet bright and open. The kitchen area is big enough for a dining or breakfast area. The dining room is presently used as a study.

The living area leads through double doors to the deck and opens seamlessly to the kitchen dining areas shown in the pictures on the left.

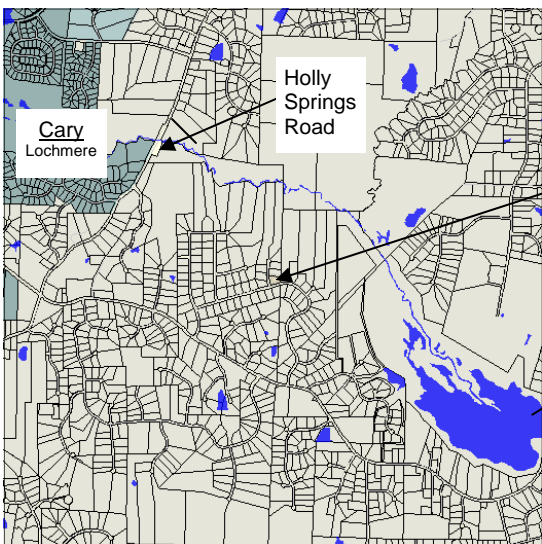

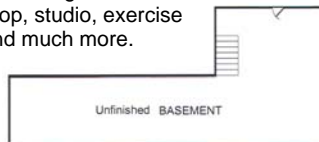

The 4 bedrooms are ideal. Two have private baths and the other two share a private bath.

Antique and contemporary furniture both are beautifully framed by the hardwood floors, handsome wood beams and the arched passage to the 1st floor master suite.

The full daylight basement has inside and outside entrances making it ideal for a workshop, studio, exercise area and much more.

You are just minutes away from Lake Wheeler and a short drive to downtown Raleigh and Cary.
