608 Frank St

Call for the names of nearby neighbors who can describe the best of both worlds enjoyed by this home — a peaceful village atmosphere with many nearby urban amenities.

The inside the beltline location is close to a growing number of downtown area restaurants, shops and condos, all an easy walk or bike ride away. Stop by Krispy Kreme on your way to work at Peace College, the State government or Progress Energy. Visit the NC museums of History and Natural History. See a play at the newly renovated Burning Coal Theatre. Get a vanilla coke with lunch at the Person Street Pharmacy. Find an array of casual to upscale dining choices at the Seaboard Station or Glenwood South. The location also provides easy access to I-440.
