

Address: 512 Sasser St

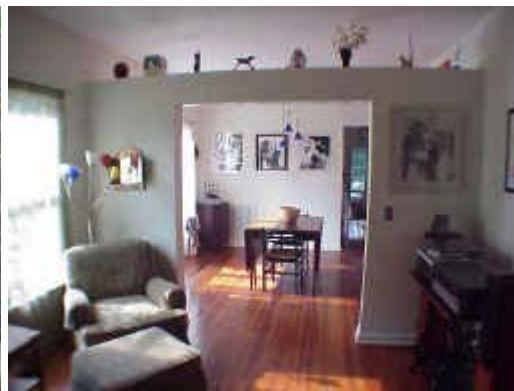

Crepe myrtles trees frame this 3 bedroom, 2 full bath renovated home.

Gallery-like spaces & hardwood floors flow front to back. 9 ft ceilings.

The large front porch is just blocks away from Historic Oakwood and the Mordecai House.

All windows were new when the house was renovated in 1995.

3 BR and 2 full updated baths. This is the master suite now in use as a den.

Lots of cupboards, light & space plus a nearby patio & laundry - a thoroughly modern kitchen and home.

A skylight brightens the back 3rd bedroom, currently a study for 2 professors.

This home has it all. Lots of closets. Versatile spaces. Floor plan available.

The fenced yard includes a 16x15 ft patio and a 12x10 storage shed/studio with lots of windows.

The gravel driveway gives access to the big side and back yards.
